INFORMATION CONTAINED IN THIS REPORT ON FORM 6-K

Extraordinary General Meeting

On December 16, 2019, Merus N.V. (the “Company”) made available to its shareholders on its website certain material related to the extraordinary general meeting of shareholders to be held on December 31, 2019 (the “Shareholder Material”).

The Shareholder Material are furnished herewith as Exhibits 1 through 3 to this Report on Form 6-K.

Settlement Agreement with President, Chief Executive Officer and Principal Financial Officer

On December 16, 2019, the Company entered into a settlement agreement with Ton Logtenberg (“Dr. Logtenberg”), pursuant to which Dr. Logtenberg resigned as an executive director of the Company and will separate from employment with the Company effective as of December 31, 2019. Dr. Logtenberg served as the Company’s Chief Executive Officer and an executive board member since co-founding the Company in June 2003, and served as the Company’s President since 2017 and Principal Financial Officer since January 2019.

Dr. Logtenberg is subject to a 12 month non-competition and 18 month non-solicitation restriction and has agreed to provide consulting services to the Company until the end of 2020. Dr. Logtenberg will receive the following severance payments and benefits: (i) a payment equal to 18 months of his annual base salary, (ii) his target annual cash bonus for 2019, (iii) a restricted stock unit grant covering 30,000 shares that vests ratably over 18 months beginning on January 1, 2020, (iv) his outstanding and unvested equity awards will remain eligible to vest until June 30, 2021 and (v) the post-termination exercise period of his options is extended until December 31, 2021.

Appointment of President, Chief Executive Officer and Principal Financial Officer

The Board of Directors of the Company has appointed Sven “Bill” Lundberg, M.D. as President, Chief Executive Officer and Principal Financial Officer, subject to Dr. Lundberg’s appointment as Executive Director of the Company at the extraordinary general meeting of shareholders to be held on December 31, 2019.

On December 16, 2019, the Company and Merus US, Inc. (“Merus US”) entered into an employment agreement with Dr. Lundberg. The employment agreement provides for an annual base salary equal to \$564,900 and the opportunity to earn an annual cash incentive award based on performance with a target value equal to 55% of Dr. Lundberg’s annual base salary. Dr. Lundberg is also entitled to a signing bonus of \$25,000, up to \$10,000 in legal fees incurred in connection with negotiating the agreement and an option to purchase 414,917 of the Company’s common shares, subject to a four year vesting schedule. If Dr. Lundberg’s employment is terminated by Merus US without cause or due to Dr. Lundberg’s resignation for good reason, then subject to his executing a general release of claims and continuing compliance with Merus US’s proprietary information agreement, Dr. Lundberg will be entitled to receive (i) base salary continuation payments for 12 months, (ii) direct payment of or reimbursement for continued medical, dental or vision coverage pursuant to COBRA for up to 12 months and (iii) if his employment is terminated on or prior to December 31, 2020, accelerated vesting of any portion of his time-based equity awards that is scheduled to vest within 12 months following the date of such termination. If Dr. Lundberg’s employment is terminated by Merus US without cause or due to Dr. Lundberg’s resignation for good reason within 12 months following a change in control of the Company, then subject to his executing a general release of claims and continuing compliance with the proprietary information agreement, Dr. Lundberg will be entitled to receive, in lieu of the severance in the prior sentence (i) a lump sum payment equal to 18 months of his base salary and his target annual bonus; (ii) direct payment of or reimbursement for continued medical, dental or vision coverage pursuant to COBRA for up to 18 months, and (iii) if his termination occurs after December 31, 2020, accelerated vesting of any portion of his time-based equity awards that is unvested as of his date of termination. Notwithstanding the foregoing, in the event the Company’s shareholders do not approve his appointment as Executive Director of the Company at the extraordinary general meeting of shareholders to be held on December 31, 2019, Merus US may terminate his employment without any obligation to pay the above mentioned severance. The proprietary information agreement and the release of claims contain restrictive covenants which restrict Dr. Lundberg’s ability to compete with the Company for a period of 12 months following his termination of employment or solicit the Company’s employees for a period of 12 months following termination, subject to Merus US’s obligation to pay Dr. Lundberg 50% of his highest annualized base salary for the two year period prior to his termination (or the severance described above) if Merus US decides to enforce the non-competition restriction. The proprietary information agreement also contains covenants regarding protection of the Company’s confidential information and ownership of intellectual property.

Response deadline	<i>December 13, 2019</i>
Actual response date	<i>December 13, 2019</i>

Dear Dr. Greig,

During an extraordinary Works Council Meeting on December 9, Ton Logtenberg notified the Works Council about his decision to step down as Board member, President, CEO and PFO of Merus as of January 1, 2020. He also informed us about his proposed successor Sven (Bill) Lundberg, a member of the Merus Board of Directors and its Research and Development Committee, in whom Ton portrayed great confidence.

The Works Council has reviewed Dr. Lundberg's background and has consulted with several members of the Merus Management Team who have worked with Dr. Lundberg over the past year. In addition, a telephone interview with Dr. Lundberg was conducted on December 12th, during which Dr. Lundberg enthusiastically elaborated on his background, his views on Merus' achievements and future and readily answered all questions from the Works Council members.

The Works Council discussed the request for advice on for the appointment of Dr. Lundberg on December 12, 2019. Despite the fact that the Works Council most sincerely regrets the fact that Ton Logtenberg will leave the company, especially on such short notice, we also believe that Dr. Lundberg will continue to build on Merus' research and clinical programs and the company as a whole, in order to achieve the Merus' long standing company goals. We have therefore decided to issue a positive recommendation for the appointment of Sven (Bill) Lundberg as President, CEO and PFO of Merus, effective on January 1, 2020.

Kind regards,

Linda Kaldenberg

On behalf of the Works Council:

Linda Kaldenberg: Chairman of the Works Council
 Ron Schackmann: Secretary of the Works Council
